DID YOU KNOW...

Joe Ansbro may be one of seven Scottish starters who weren't born the last time Scotland beat England at Twickenham (22-12 in 1983) but he certainly won't harbour any fears about playing at the home of English rugby five days short of the 100th anniversary of Scotland's first visit in 1911. For Ansbro already has three notable victories under his belt at the ground from his days as a Natural Sciences student at Robinson College, Cambridge University. The first came in 2004, when he scored a last minute try to secure a Light Blues victory in the Under 21 match in 2004. He then helped Cambridge beat Oxford in the full blown Varsity Matches of 2005 and 2006.
