DID YOU KNOW...

The last RBS 6 Nations game won by Scotland was against Italy on 28 February, 2009. That victory, 26-6, was followed by a defeats to Ireland (2009), France (2010), a draw with England (2010) and defeats to Wales and Ireland this season. That win over Italy was the only one in their last four matches against each other and Nick Mallett's side will be looking to notch back-to-back victories in the Six Nations for only the second time. They beat Scotland and then Wales in 2007 – the only time they have won two games in a season. The series of games between the two countries in the Six Nations stands at 6-5 in favour of the Scots.
